

## NOW HIRING - SIGN INSTALLER

Eagle Sign Co. of Grimes, Iowa is seeking motivated individuals looking to utilize their mechanical skills as a sign installer. These positions will offer on the job training with our experienced install crews working on installing new signage in a variety of off-site locations.

### Desired skills

- Mechanically inclined
- Positive attitude with the ability to multi-task and self-motivate
- Ability to work in extreme elements and at heights
- Ability to problem solve and multi task in the shop and on-site installs will aid in the success of this position.
- Honesty, integrity and a strong desire to honor commitments.
- Ability to obtain a CDL Class A
- Welding experience is a bonus

### Responsibilities

- Install electrical and non-electrical interior and exterior signage
- Load and unload signage and equipment
- Operate aerial buckets, cranes and other heavy equipment
- Use a variety of hand tools
- Willing to travel.

**Please submit a resume cover letter and portfolio of work (if available) to be considered for this position.**
